RETURNS

Unsold items

We will discuss with you a suitable method for return of any unsold goods. Alternatively, if you do not want them returned we can donate them to charity on your behalf.

Items not accepted for re-sale

If we have received items from you that are unacceptable for sale, due to damage or staining, are fake or counterfeit, or not to the high standards we require -

1. You would be charged a \$50.00 returns fee payable prior to us returning your items.
2. We can donate the items to charity on your behalf.

TERMS & CONDITIONS

* Items are placed on consignment for a three month period (unless otherwise stated) and are taken on a seasonal basis. Any items not sold within two months will be reduced by 20%. Further reductions may take place at the end of the season. If you do not want your items to be reduced please advise us at the time of consignment. (See bottom of consignment list.)

It is the owner's responsibility to contact Blue Spinach after the three month period to discuss the disposal of any unsold items.

* There is no fee to consign your stock with Blue Spinach.

* No copies, fakes or replicas of luxury brands will be accepted.

* Blue Spinach retains 50% of the final sale price (ex-GST) as its commission on the majority of standard consignment items. If you have specific pricing requests regarding high-end luxury goods, we are happy to negotiate alternate commission rates on an item by item basis.

* Payments are made by cheque through the post or via direct bank deposit (preferred method.)

* All clothing is to be dry-cleaned or freshly laundered, pressed and presented on hangers. (Your hangers will be returned to you upon request.) Items sent to us by parcel should be neatly packaged - pad out shoes or handbags to avoid crushing etc.

* Shoes & handbags are to be wiped clean and polished where necessary. If any restoration work is required a fee will be quoted prior to consigning.

NOTE - Blue Spinach is not responsible for any cleaning or restoration fees. Any such fees are the owner's responsibility and will be deducted from your first payment.

* To avoid any inconvenience to you, you are required to make an appointment prior to collecting any unsold stock so we can ensure your goods are packed and checked ready for collection.

* We will endeavour to make regular contact with you, but due to the high volume of clients and stock turn-over, we do ask that you call to check on your stock for an update.

* Blue Spinach takes full responsibility for your stock during the agreed consignment period.
